# Comparison Chart

- 1) Choose two books/stories or two subjects in a book to compare. For example: Two books about travel or two characters in a book.
- 2) Write the two subjects being compared in the spaces below. For example: Subject one: Travel in Montreal. Subject two: Travel in Toronto.
- 3) Next, list all of the important facts, using the chart below, that are different between the two subjects (the differences). For example, Montreal has an Olympic Stadium and Toronto has the CN tower, one of the tallest buildings in the world.
- 4) Now compare how the two subjects are the same (similarities). For example both cities have great restaurants, hotels and tourist areas.

Subject one: \_\_\_\_\_ Subject two: \_\_\_\_\_
